PROFILE

Technical Writer with 8+ years of experience creating documentation for enterprise security, gaming, and aerospace products. Experienced in structured, topic-based authoring using DITA, RoboHelp, and Oxygen XML, working closely with Product, Engineering, and QA teams throughout each release cycle.

WORK EXPERIENCE

Senior Information Developer — Qualys

Pune, India | June 2026 – Present

- Create and maintain Online Help, API User Guides, Release Notes, and UI text for Qualys products.
- Collaborate with Product Managers, Developers, QA Engineers, and UX teams to gather feature requirements.
- Participate in sprint planning and release meetings so documentation ships alongside each release.
- Maintain consistency with company style guides and the Microsoft Writing Style Guide.
- Manage documentation sources in Adobe RoboHelp and SharePoint, with version control.
- Perform peer reviews and coordinate stakeholder documentation reviews before publication.

Information Developer — Qualys

Pune, India | November 2024 – May 2026

- Created and maintained Online Help, API User Guides, Release Notes, and UI text for Qualys products.
- Collaborated with Product Managers, Developers, QA Engineers, and UX teams on feature documentation.
- Participated in sprint planning and release meetings to align documentation with releases.
- Managed documentation sources in Adobe RoboHelp and SharePoint.

Technical Writer — Aristocrat Technology

Gurugaoan, India | May 2023 – October 2024

- Created User Guides, Installation Instructions, Release Notes, and Software/Hardware Specification documents.
- Authored in Oxygen XML and managed content in Heretto CCMS; used JIRA for task management.
- Initiated a documentation quality feedback survey and led knowledge refresher sessions.

Technical Writer — Alten India

Bengaluru, India | December 2021 – January 2023

- Wrote and organized Airbus aircraft maintenance and troubleshooting documentation.
- Applied Aerospace Technical Publication standards, including iSpec 2200 and S1000D.
- Worked in SAP and Arbortext Editor; applied Simplified Technical English (ASD-STE100).

Document Reviewer — InterGlobe Aviation Ltd.

Hyderabad, India | December 2018 – December 2021

- Prepared line engineers' checklists and built aircraft documentation standards.
- Assisted the Quality Manager and Airworthiness Manager in reviewing technical manual content.
